

Hi, this is Ryan Newman. Being a race car driver has its perks. Yet, I can't think of anyone that deserves better service and support than our nation's Veterans and Service Members. That's why VA and DoD have created eBenefits. eBenefits gives fast track, 24/7 access to the military and VA benefits and information you need most. Go to www.ebenefits.va.gov. Or just do a search for VA eBenefits. Brought to you by the Department of Veterans Affairs.
